

# Wider and Thicker

C1018 Cold Finished Flats up to 6" Thick and 20" Wide!

Large carbon steel flats are used in many tool and die, machine tool, fixture, drilling and milling applications. Using cold finished wide flats can provide significant savings by reducing the need for costly secondary operations. Below is a list of stocked sizes, please inquire for sizes not shown on the list.

## ALRO STOCKED SIZES

| THICKNESS<br>(Inches) | WIDTH (Inches) |       |   |       |   |   |    |    |    |    |    |    |    |
